

Instrument Pilot Ground School

Twin Cities Aviation is proud to offer a hands-on, formal instrument ground school taught by aviation professionals. **Starting Tuesday February 21st and running for 8 weeks the course is a Tuesday and Thursday night class at ANE from 6:00 to 9:00pm.** Moreover, we utilize a FAA approved 141 syllabus, and tailor it to you, the student, in mind. The knowledge for an IFR ground school can be a struggle, let us show you it can be a breeze. Whether you're looking to increase the utility of your Private Pilot license, or just wanting a new challenge. Getting your IFR rating at Twin Cities Flight Training is the best next step while making you a better pilot!
